

PEAK DESIGN SLIDE LITE KAMERAREM ASH

Varenr. PE-SLLAS3
EAN 818373020507
Producent nr. SLL-AS-3

The newly updated Slide Lite packs the unrivaled versatility of Slide into a smaller package, perfectly suited for mirrorless and light DSLR cameras. Wear Slide Lite as a sling, neck, or shoulder strap. Seatbelt-style nylon webbing has a smooth side that glides over clothing in sling mode and a grippy side that prevents slipping in shoulder mode. Dual quick-adjusters provide instant access and easy reconfiguration. Unique Anchor Link system connects quickly and dual points of connection keep your camera more stable than traditional sling straps.

Beskrivelse:

3 STRAPS IN 1

Our unique Anchor Link connection system lets you instantly reconfigure Slide as sling, neck, or shoulder strap.

TOTAL STABILITY

Highly stable camera carry via 2 configurable points of connection

HOLDS ALL CAMERAS

Works with heaviest of pro cameras or binoculars

HYPERTUNABLE

Huge range of length adjustment, made possible by 2 quick-pull adjusters

SO SMOOTH

Webbing glides over clothing for quick camera access

NO BULKY D-RINGS

Connects to strap loops or bottom of camera body via ultra low-profile Anchor Mount hardware

WHAT'S NEW

REVAMPED ANCHORS

More secure, fast, and lower profile than ever. New canted/angled Anchors for effortless 1-handed connection. 25% slimmer Anchor housing hardware.

STILL STRONG AS EVER

Anchors still hold 200 lbs (90 kg)

ANCHOR MOUNT

New low-profile Anchor Mount is strong, versatile, and leaves a tiny footprint

WEBBING UPGRADE

New ultra-smooth nylon webbing with tighter, more durable weave

BETTER GRIP

Upgraded silicone grip is more effective and durable

OVERMOLDED HARDWARE

Strap molded directly into adjustment hardware for significantly lower-profile design
